

Pro 15 BT

15" Powered Portable Multipurpose
ABS Speaker with Bluetooth

The OSL Pro-15BT is a 1000W active light-weight, injection moulded ABS, loudspeaker that offers an excellent performance in an ergonomic body. It's reliable, low-distortion amplification module, has a large heat sink for quick cool down over long hours of use. The system accepts Balanced XLR or unbalanced RCA inputs for ultimate flexibility. The system also accepts a Bluetooth 4.0 input.
