

M4

4 Channel Portable Mixer with Wireless & USB Inputs

The OSL M Series feature tabletop media mixers designed for maximum flexibility. The M4 portable mixer has the inputs, controls, and features to be used as a simple plug and play system. The M4, M7 & M10 models have hence become popular in the residential, hospitality & BGM applications

Technical Specifications

Input impedance	Line: 10K ohm input impedance Mic: 600 ohm input impedance Phono: 47k ohm input impedance
Input Types	1x TRS Jack Phono Input 1x TRS Jack Mic Input 1x 3.5mm Aux Input 1x Wireless Playback & USB Playback
Input sensitivity	Line: 80mV RMS Mic: 1.5mV RMS 1.3mV RMS
Outputs	Line: 7V RMS max Headphone: 0.5W into 47ohm
Signal to Noise Ratio	Line: Better than 100dB Mic: Better than 95dB Phono: Better than 85dB
Frequency response	Line: 20 - 20,000 Hz \pm 0.5dB Mic: 20 - 15,000 Hz \pm 0.5dB Phono: \pm 1dB; -3dB attenuation at 20 Hz to reduce rumble and feedback
Channel Equalizer	Mid: +12 / -25dB at 1.3 kHz Bass: +12 / -35dB at 20 Hz Treble: +12 / -20dB at 15 kHz

Dimensions

Height	160 mm
Width	89.9 mm
Depth	35.1 mm
Net Weight	449 g
