

## T 4 BT

### Pair of 4" Multi-media Reference Monitors with Bluetooth

The OSL T4 BT, derives its technology from our T-Series Studio Monitors. The added phase plug delivers a deep bass response while protecting the driver from dust & scratches. These multimedia reference monitors are ideal for Home studios, Broadcasts, Music Production and Video Production. The in-built bluetooth 5.0 allows you to stream your music directly on to the speakers allowing it to ably sit alongside any desktop.
