

OD1000 Touch

Dante System Touch Controller

The OSL OD1000 Dante Systems offer quick & reliable solutions to systems integrators. The OD 1000 Touch is an assignable control solution for Dante systems. The Touch features a standard 86 Box, sleek in-wall design with a LED display and a 3.5" touchscreen for volume control, mute and preset recall. It integrates into the Dante Ecosystem seamlessly and is capable of controlling virtually any Dante, third-party audio DSP or AV equipment.
